1977

WOODLOG 1977

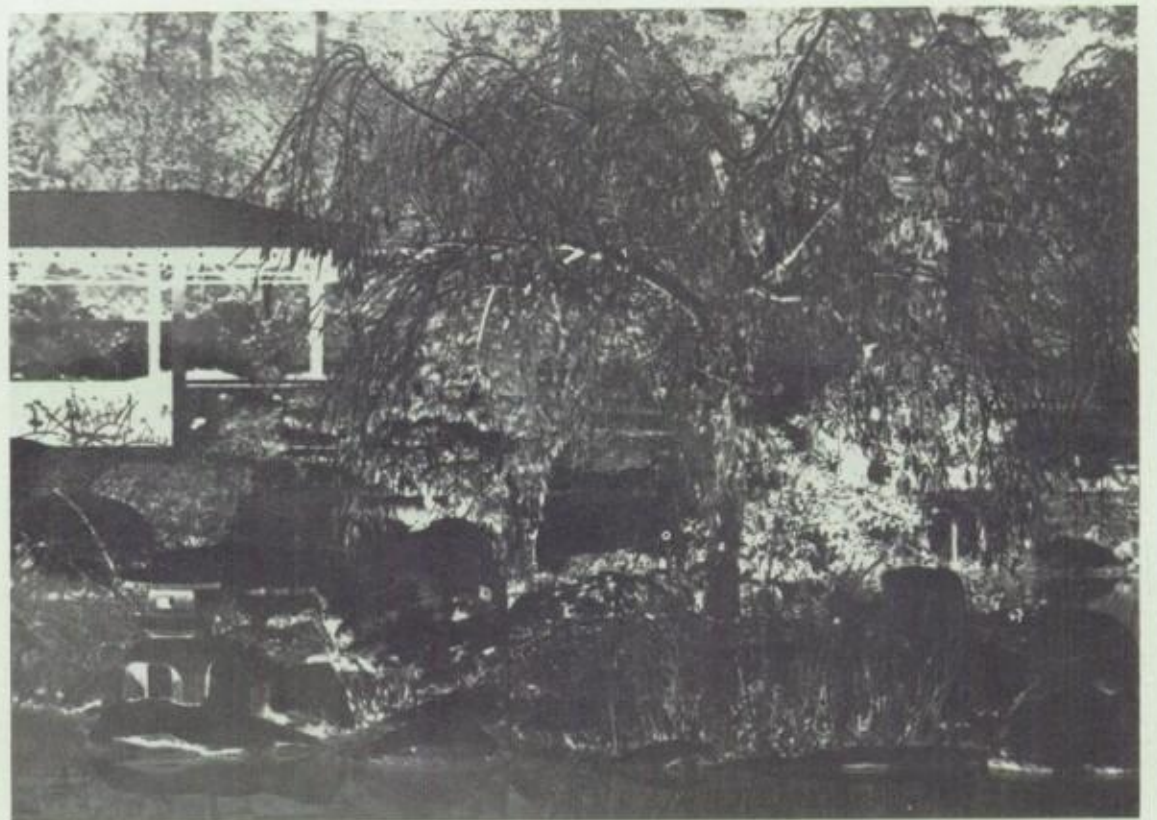

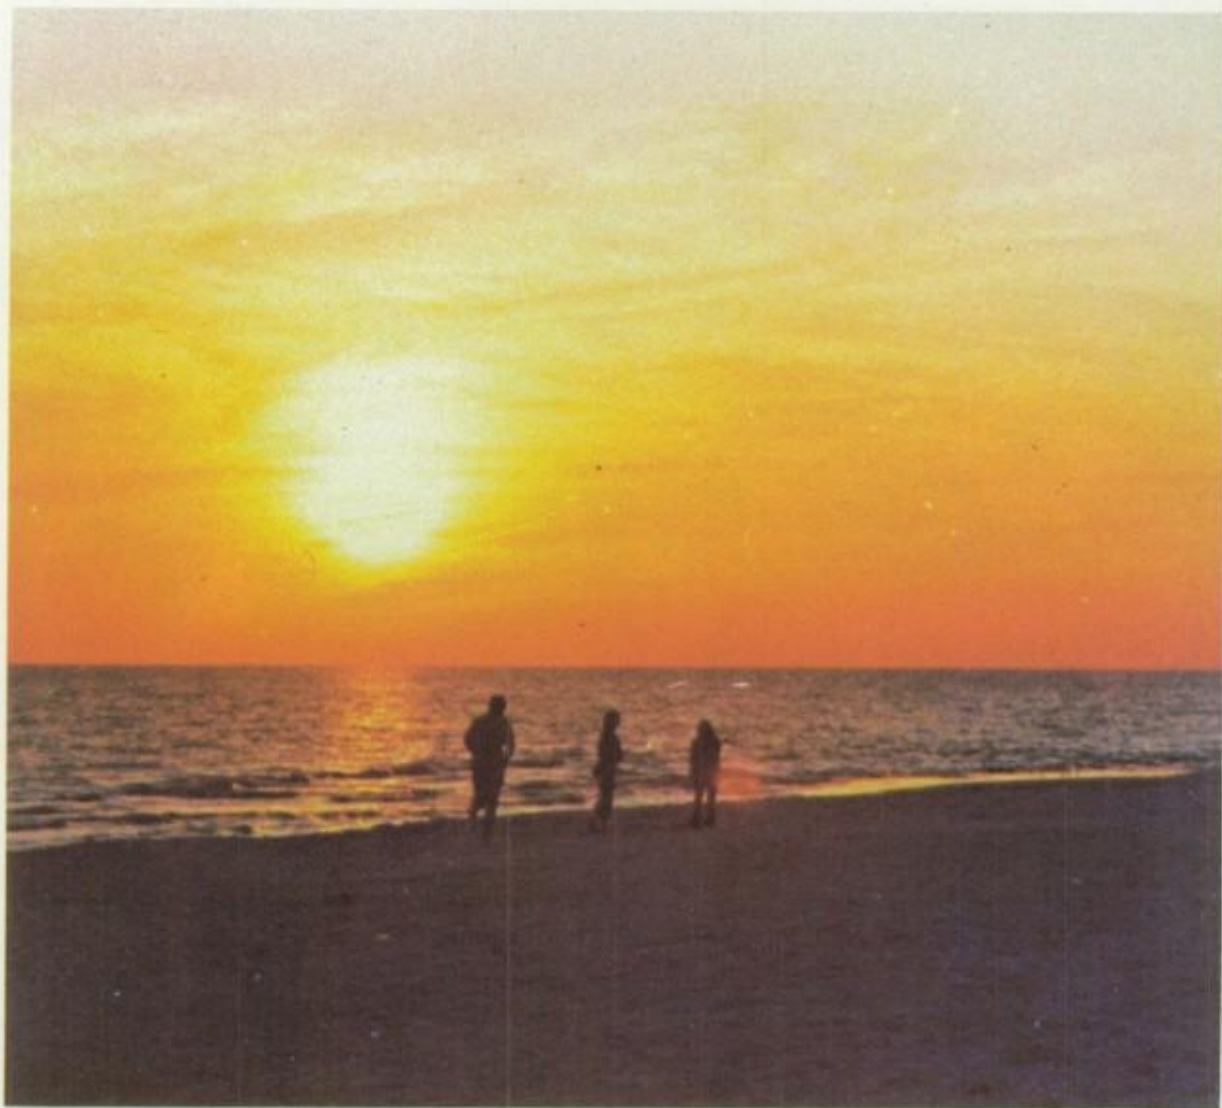

Woodlawn High School Birmingham, Alabama

*Editor Janet Yother
Associate Editor David Bolus
Sponsor Bill Lea*

*Seek knowledge of yourself and the World. Your heart knows in
silence the secrets of the World but your ears must thirst for the
sound of that knowledge.*

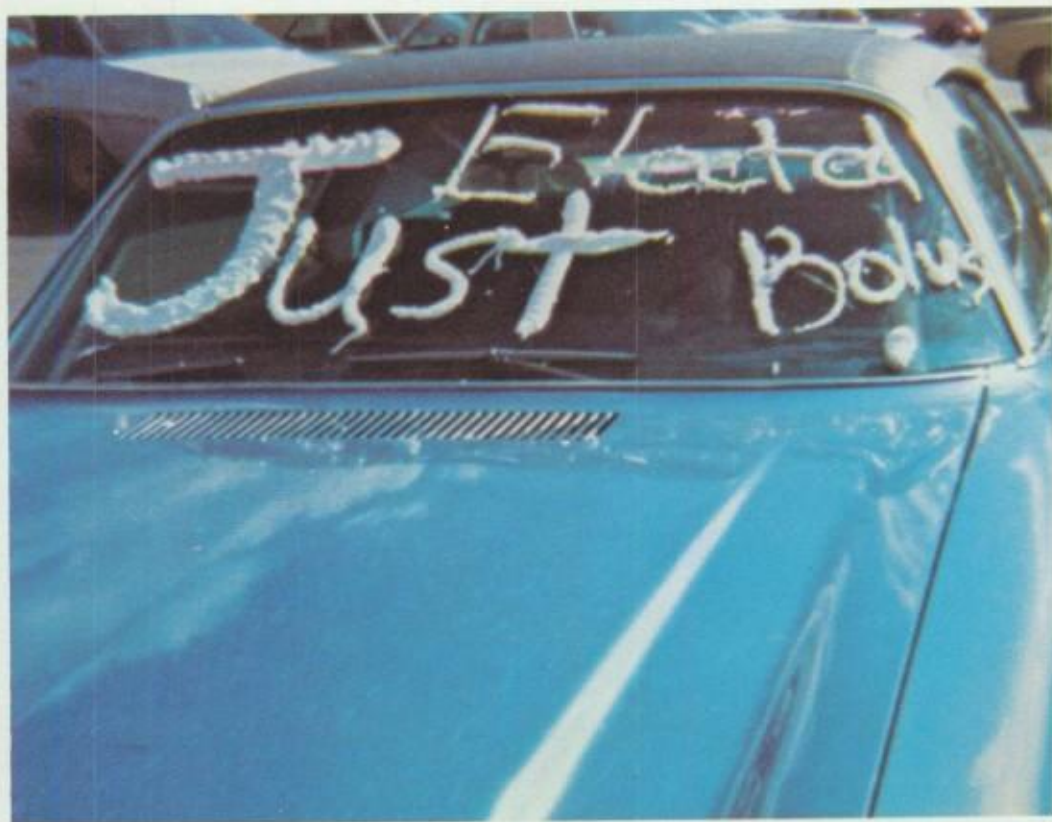

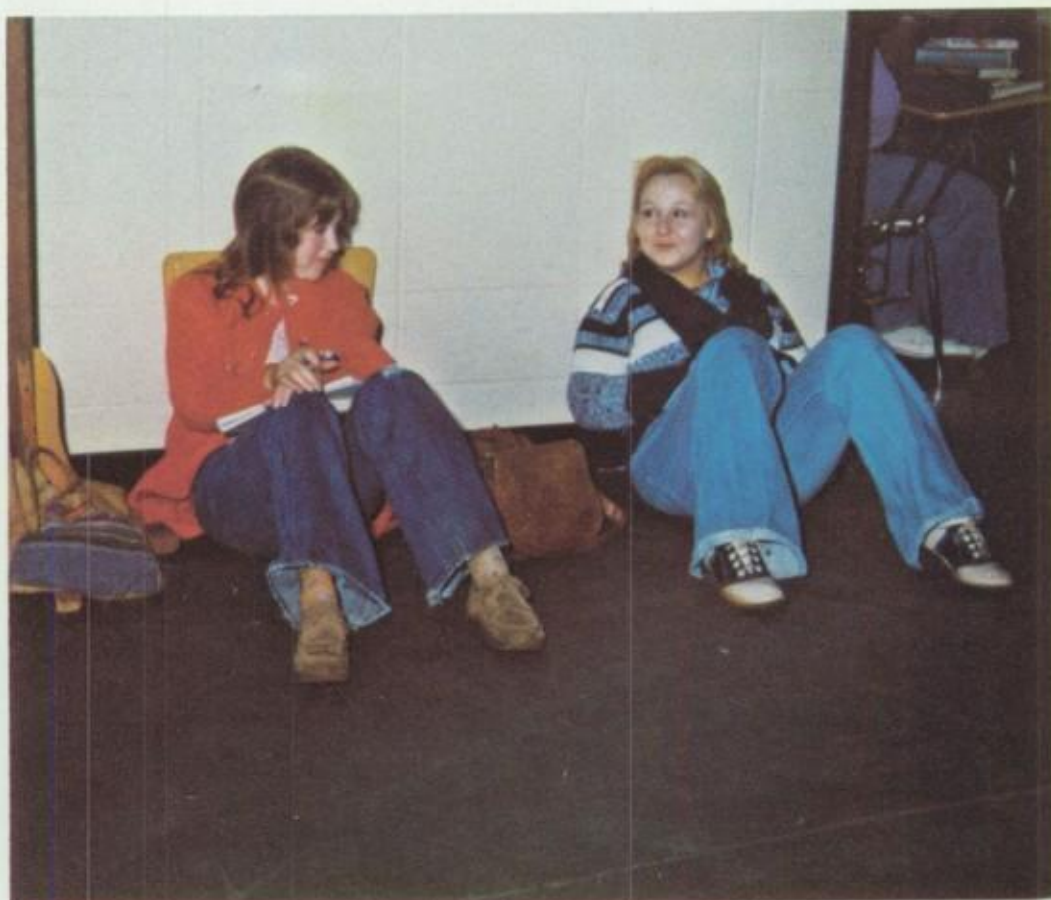

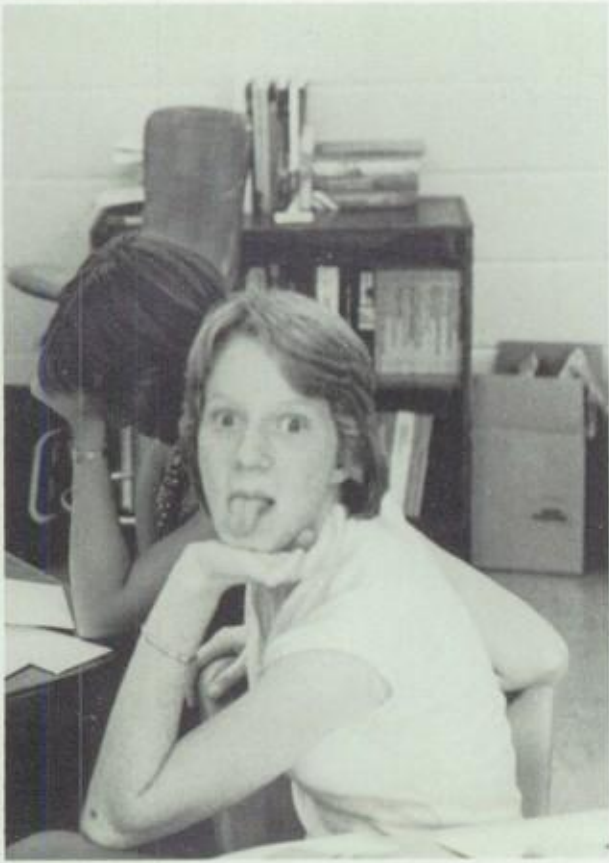

*Let your best be for
your friend.
If he must know the
ebb of your tide, let
him know its flood
also.*

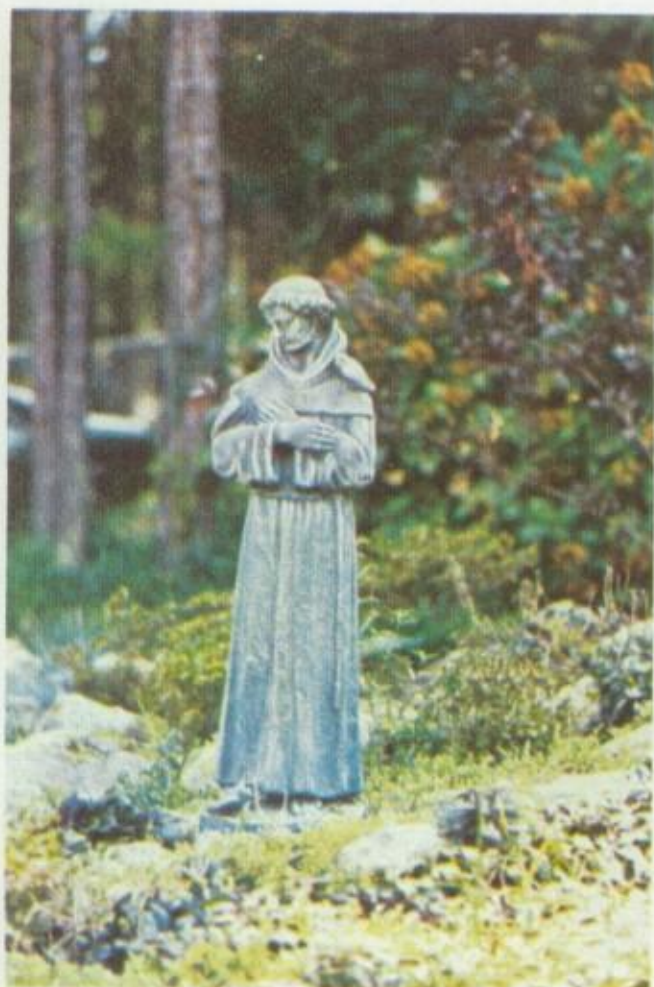

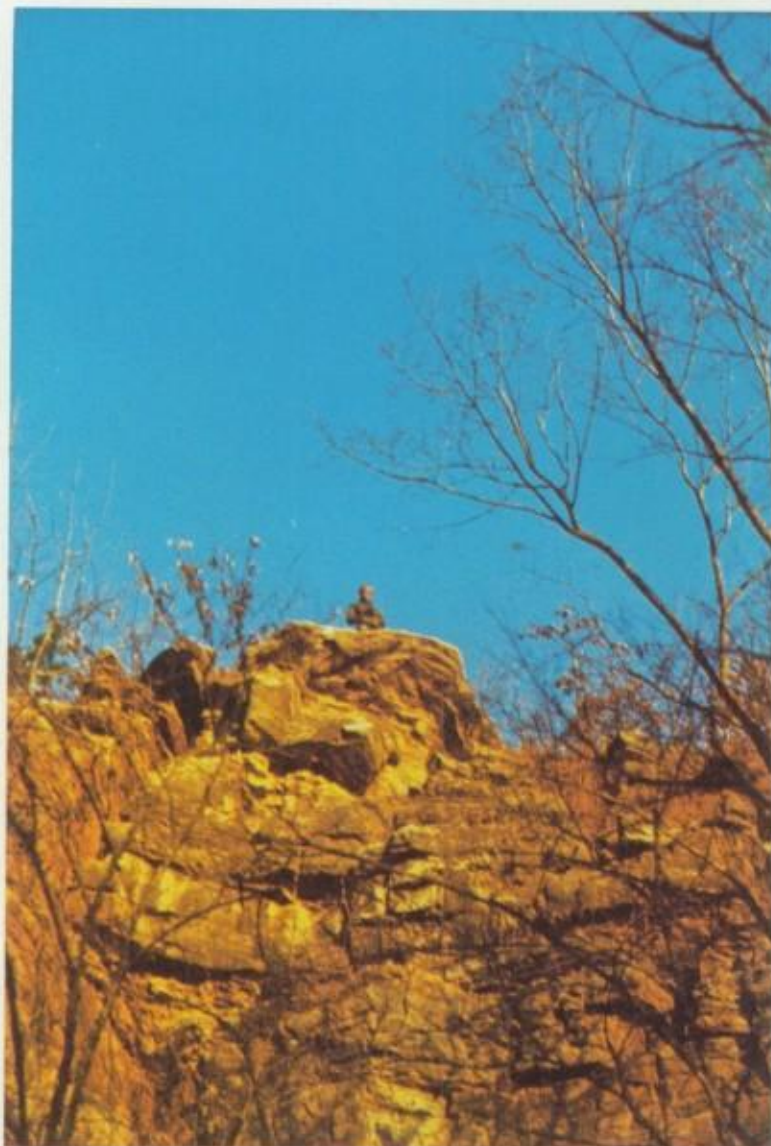

*Seek him always with
hours to live.
And in friendship let
there be laughter
and sharing of
pleasures.*

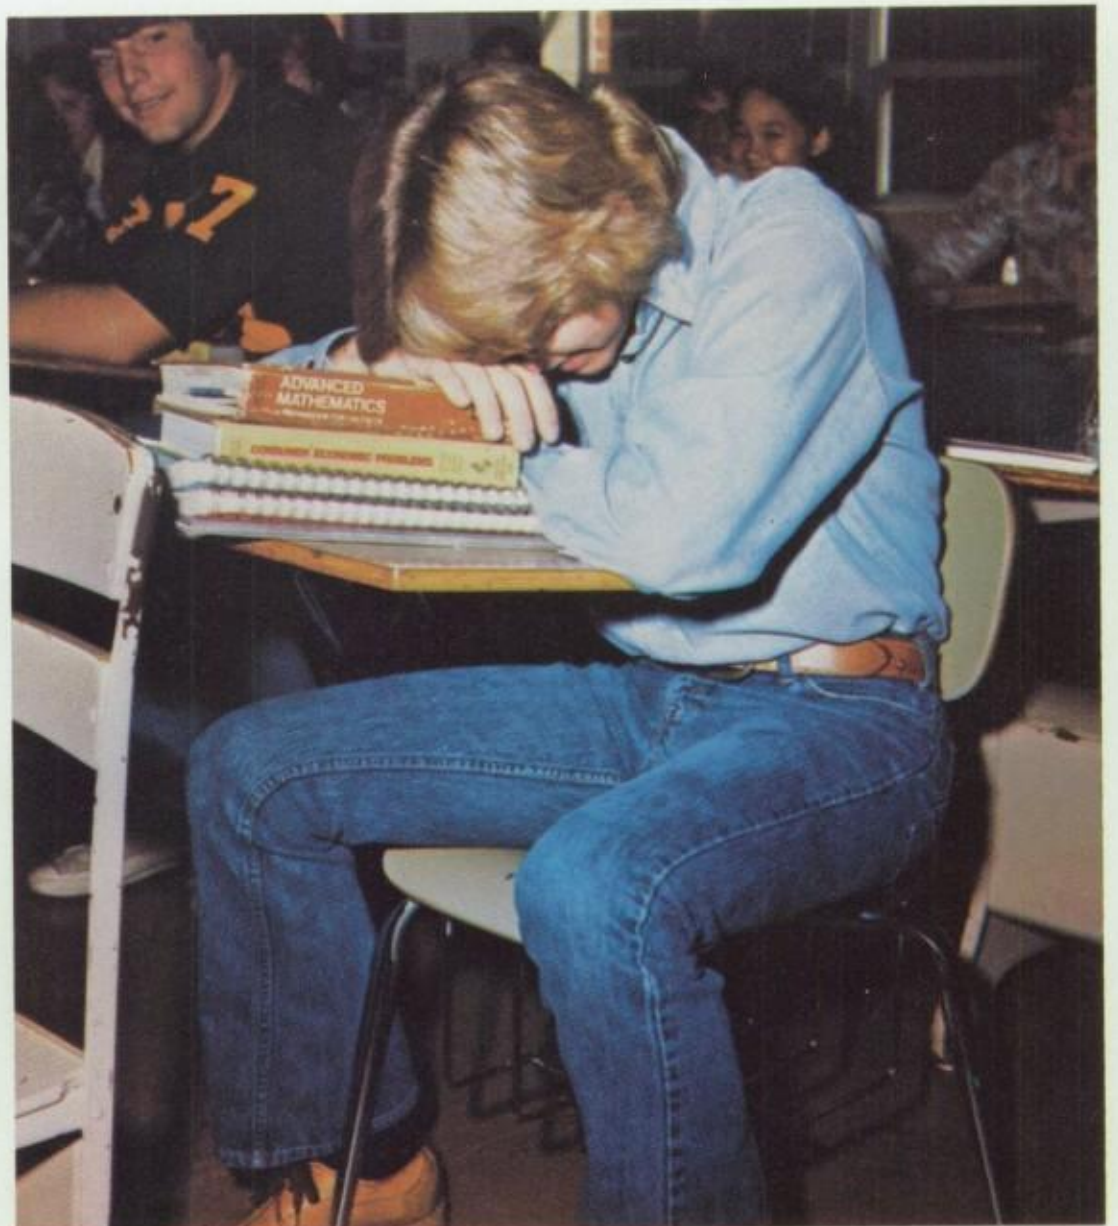

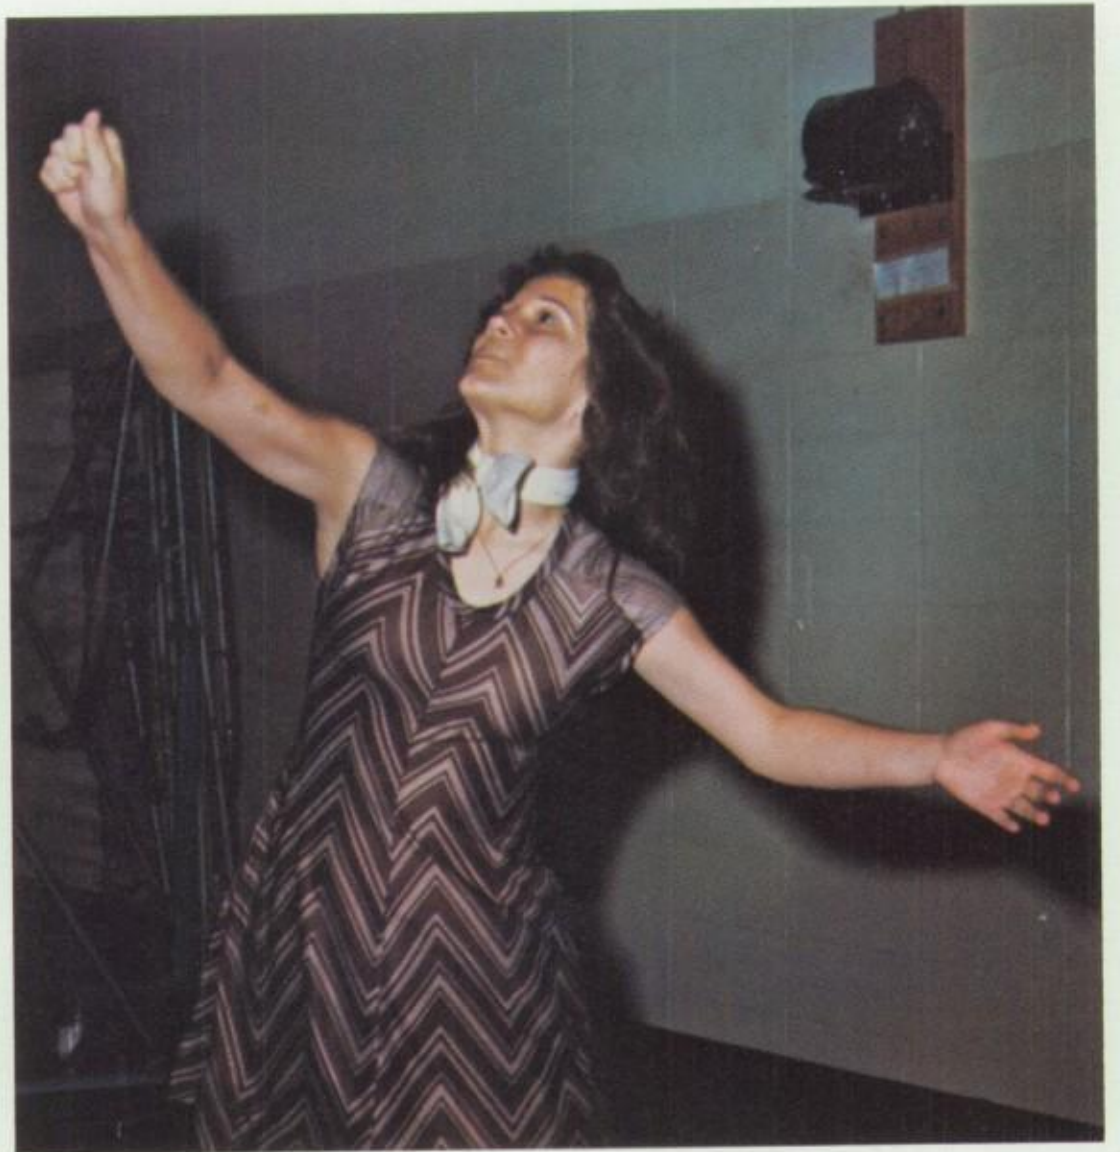

*Pleasure is a freedom
song.
It is the blossoming
of your desires,
It is a depth calling
unto a height,
It is the caged taking
wing.
Ay, in very truth,
pleasure is a
freedom song.*

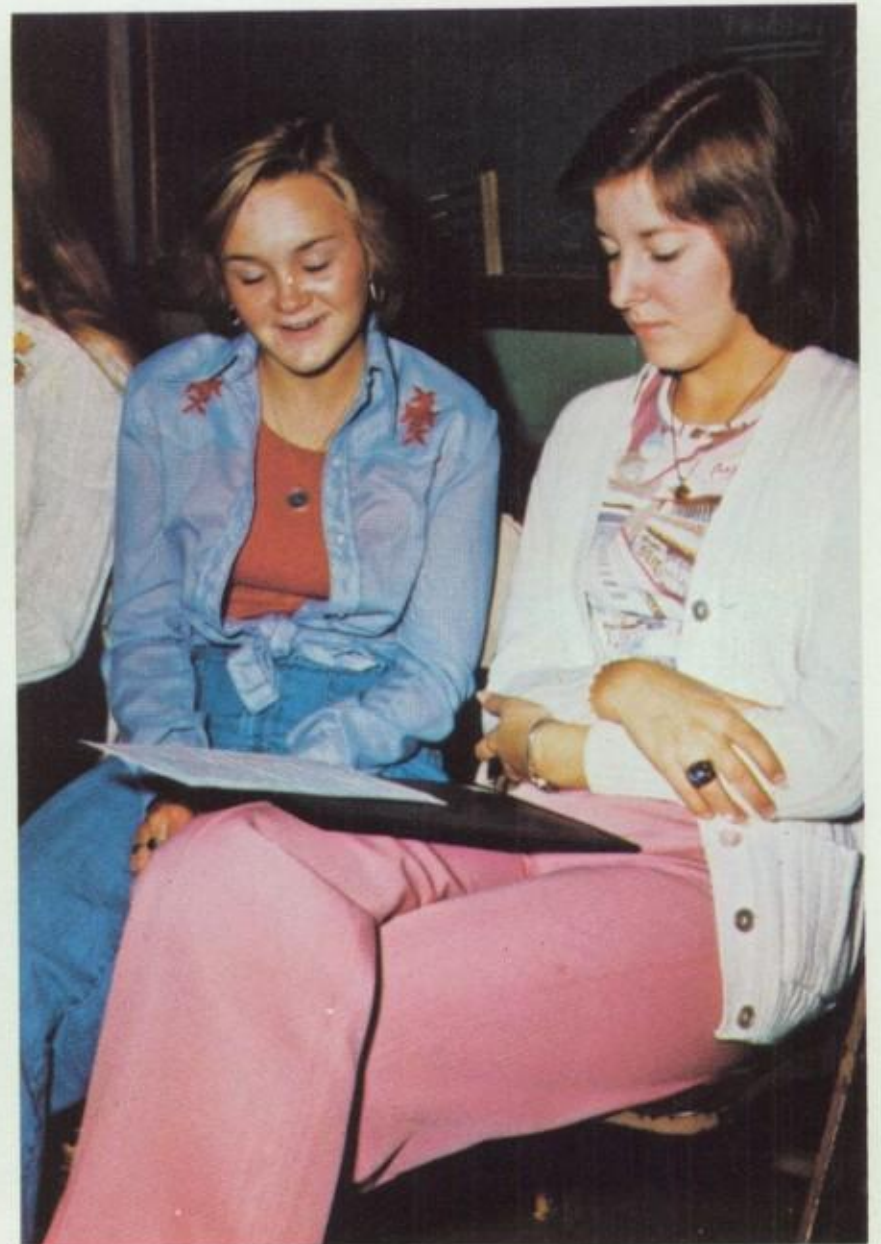

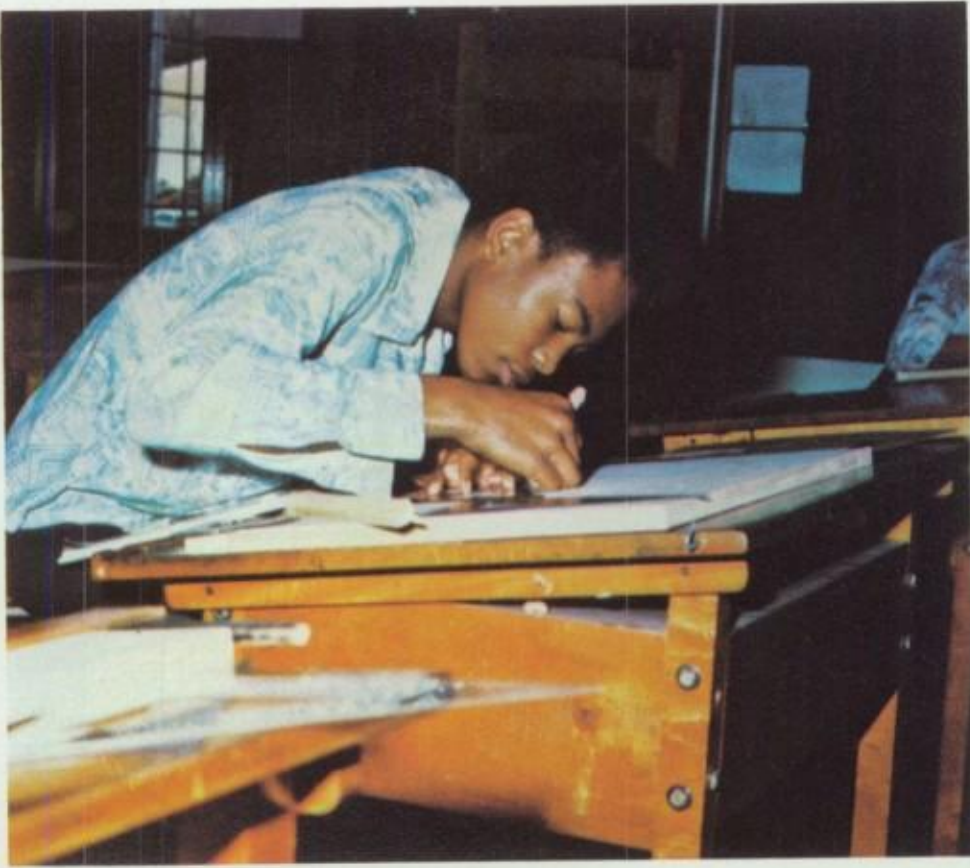

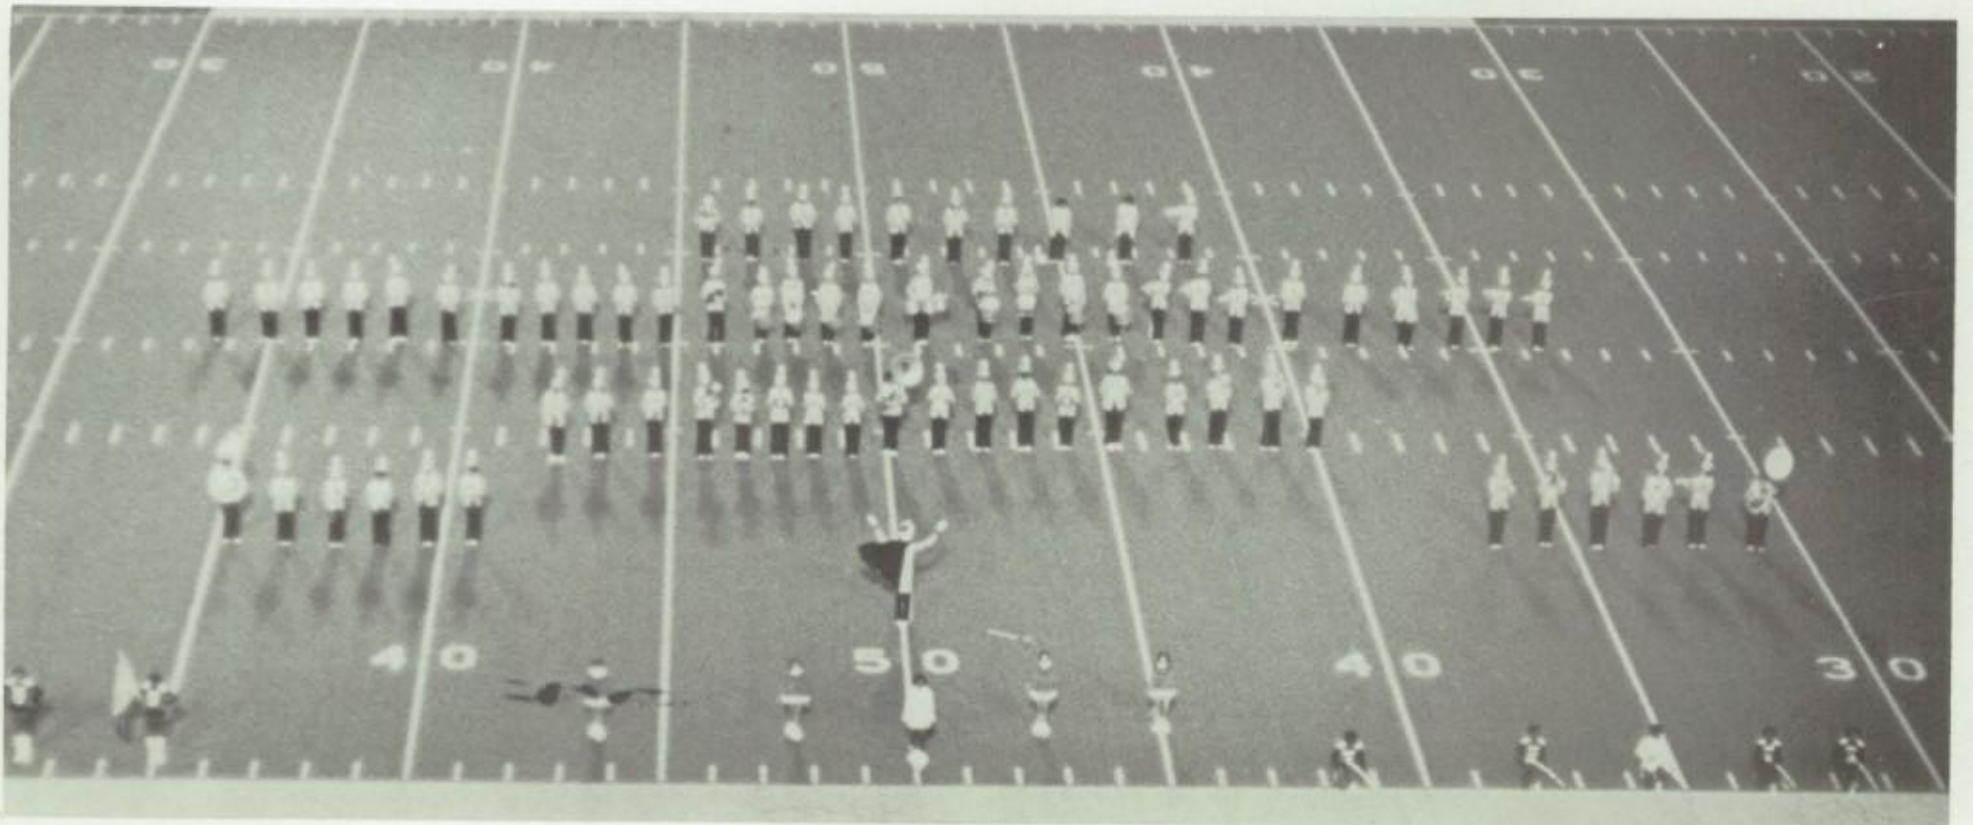

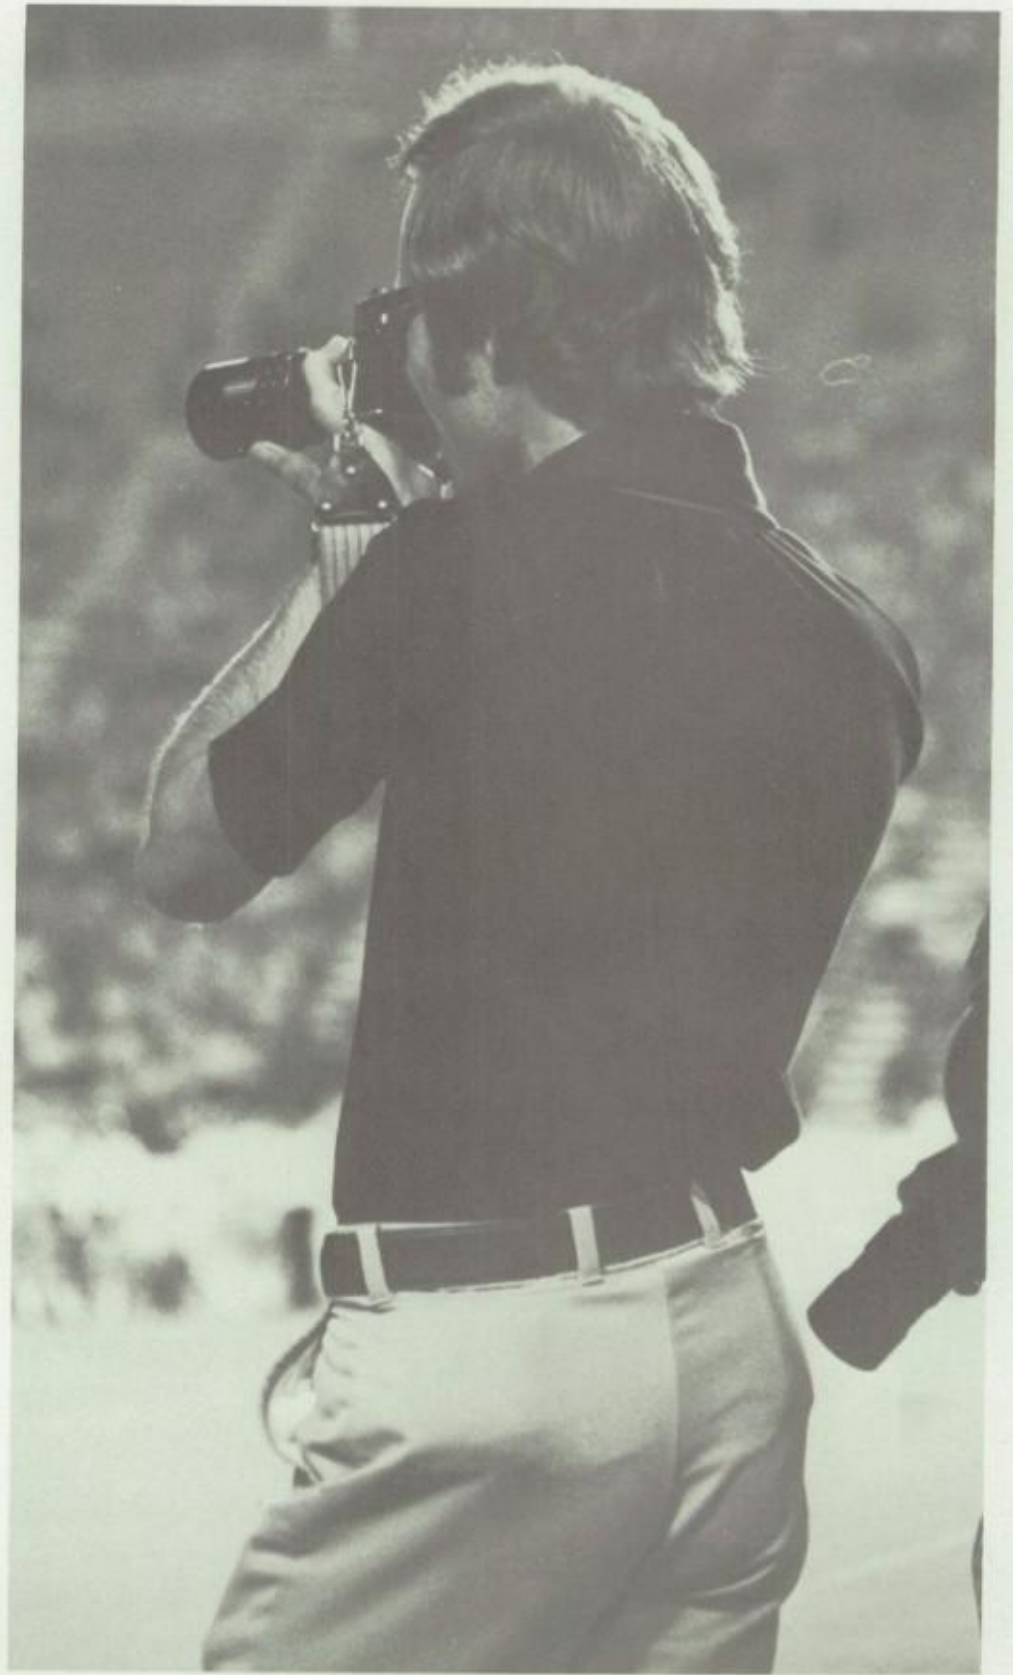

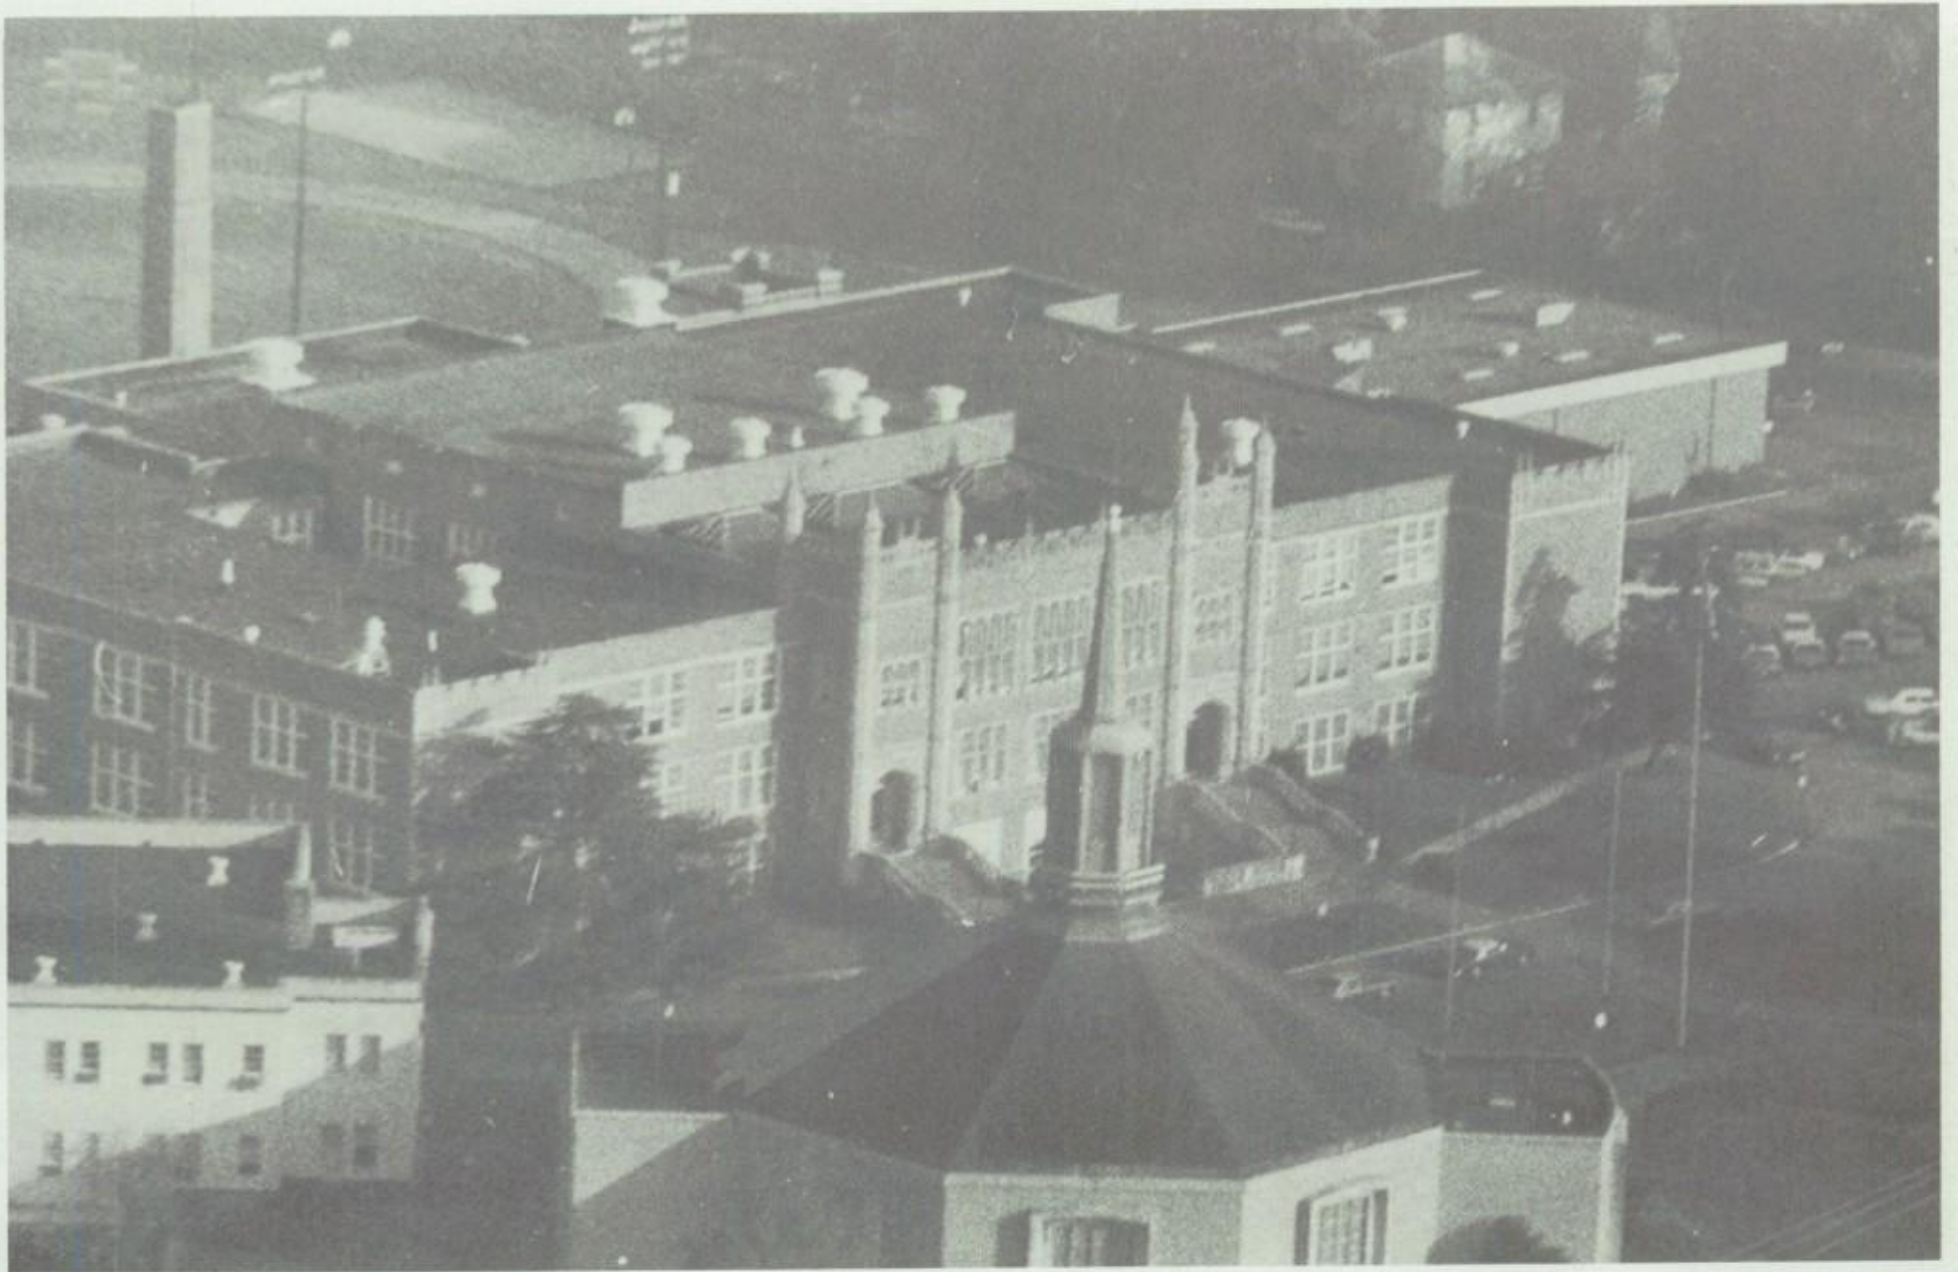

The teacher gives to you not only of his wisdom but also of his faith. He is wise to lead you to the threshold of your own wisdom.

The musician can sing to you of the rhythm which is in all space, but you must develop the ear that arrests the rhythm and the voice that echoes it.

*The timeless in you is aware of life's timelessness,
And knows that yesterday is but today's memory and tomorrow is today's dream. Use
the years you have to prepare for the future. And let today embrace the past with
remembrance and the future with longing.*

Wooglog Dedication

Mrs. Bernice Day has been a teacher at Woodlawn High School for the past ten years. She was the "Woodlog" sponsor for nine years, until this year when she became the Head of the History Department. Mrs. Day is not only a great teacher, but someone who can understand and communicate with students. These are just a few of the reasons why this year's "Woodlog" is dedicated to Mrs. Bernice Day.
